

2021 Summer Bridge Program		
Campus: Hanna Early College High School		
Summer Bridge Name: Hanna Early College and P-TECH High School Summer Bridge Academy		
Program Purpose: To provide an orientation and overview of Hanna Early College High School daily activities and opportunities for all students. Program Overview: The purpose of the Hanna Summer Bridge Academy is to give students an opportunity to successfully transition from Middle School to an Early College High School and P-TECH setting. The goal of the program is to ensure students are more aware of what is expected of them throughout their four years of high school. They will have the opportunity to have an overview of the Math, Science, English and Social Studies classes which they will take in their 9th Grade regular school year. Students will also familiarize themselves with the requirements of enrolling in college courses. Students will have the opportunity to work with the APEX and Edgenuity Programs to familiarize themselves with the TSI content which will assist them in preparing themselves to master the TSI Test and enroll in college courses.
